## DESIDERATA

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. \* Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. \* Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. \* Be Yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. \* Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. \* You are a child of the universe, no less than the trees and stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. \* Therefore be at peace with God, whatever you conceive Him to be, and whatever your life and aspirations, in the noisy confusion of life keep peace with your soul. \* With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy. \*\*\*

## SCHOOL LIFE

# JUST FOOLING AROUND

God bless Mommy and Daddy  
and . . .

Is he going to direct from there?

You want ME to guide YOU?

I protest against school!

Boy, do you dance funny!

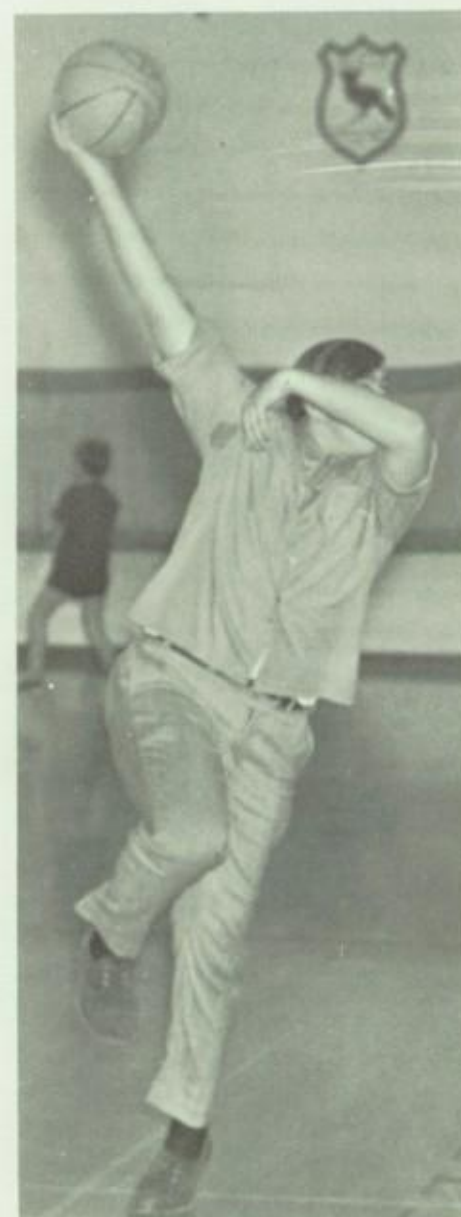

Hey, that was mine!

Barry, he took my ball!

Only two minutes 'til lunch!

Twinkle toes.

# BOYS DO THE STRANGEST THINGS . .

But I only missed the rim by that much.

It's really me, cross my heart!

Hey, Miss Ward, look at this!

Would you get off my back?

I got WHAT on my research paper?

# ... BUT SO DO GIRLS!

My group had 20% fewer cavities.

Would you get a load of her?

But I wanted to do that.

Hey, this is fun!

Would somebody down there please help me?

Women's Lib forever!

A donation to the school lunch program.

# LITTLE THINGS MEAN A LOT

Little things mean a lot . . . the lights in a classroom Christmas tree . . . chatting with a friend during studyhall . . . cheerful greetings from the school librarian . . . catching up on an assignment . . . doing a good job at a concert when all your practices went badly . . . having a janitor smile at you while he's cleaning up the mess that YOU helped make . . . trying to figure out what it is that the cooks gave you for lunch . . . the excitement of a well-played game . . . the wrestling matches that no one comes to . . . the between class rush . . . the reed that didn't squeak for once. It's the little things that make the year worth remembering.

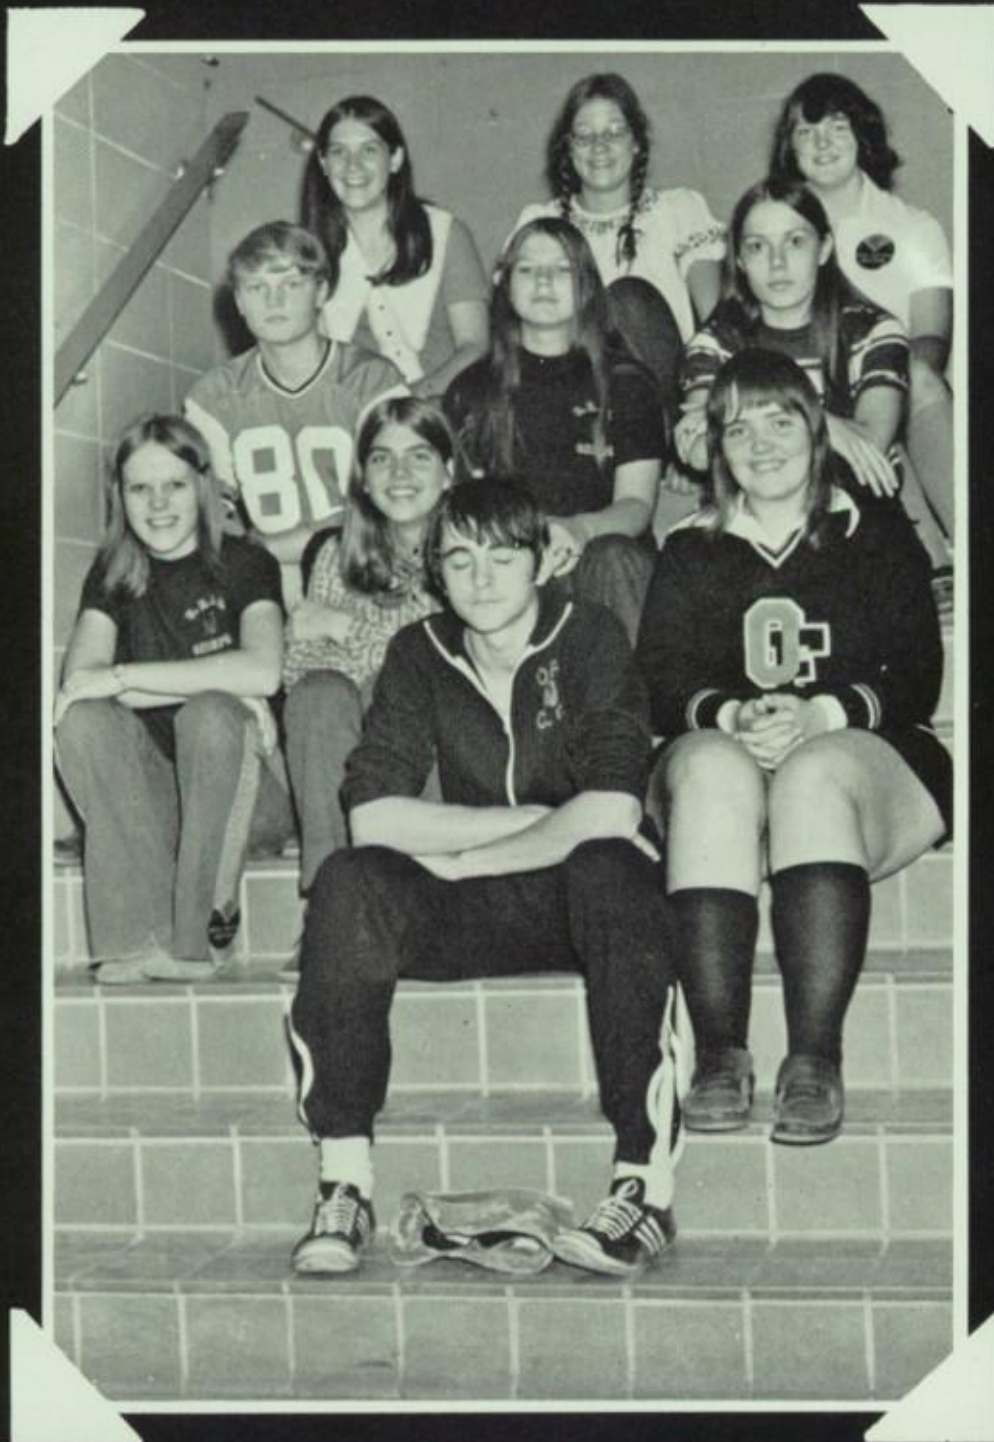

# EXPRESSIONS . . .

Expressions are fleeting moments in the expanse of school experiences . . . to be enjoyed only by those fortunate enough to have the eye of the candid camera as it exposes feelings of concentration . . . hope . . . bewilderment . . . thought . . . boredom . . . happiness . . . involvement.

With emphasis placed on successful achievement of musical goals, MUSICAL EXPERIENCE is what the OFHS instrumental program is all about.

## ROGER WAGNER CHORALE

The Roger Wagner Festival was held at the University of Wis. at Eau Claire in the fall of the year. It was made up of select students for a big festival choir, along with several guest choirs. Those in the festival choir came mainly from Wis., but also there were students from Illinois, Iowa, and Minnesota. The festival choir sang music from the Renaissance Period of music, 16th Cent and was conducted by the WORLD RENOWNED choral director, ROGER WAGNER, who is a foremost authority on Renaissance music, and also director of the Roger Wagner Chorale.

## CLARINET CHOIR

Sandy Duemcop, Karen Paulson, Lynn Sturz, Peg Behm, Cheryl Schaeffer, Jon Skuba, Julie Johnson, Debbie Warner, Lori Rogness.

Although the Ensemble Program has been difficult to schedule, the experiences with different music and instrumentation has been now worth the effort.

# THE 1971 CHIEFTAINS

ROW 1: M. Anderson, E. Lundberg, M. Buchholz, D. Smith, R. Olson, R. Stewart, P. Frase, M. Jacobson, B. Fedie, R. Osley, R. Rogness, B. Artack, R. Johnson, D. Skoug, D. Abrahamson. ROW 2: F. Thompson, D. Young, J. Johnson, D. Polinske, O. Fremstad, Coach Flury, Coach Mulhern.

The 1971 football season was disappointment to the coaches, players, and fans who have come to expect better things from O-F football than a 3-5-1 record. The Chiefs played some good ball during the year, but somewhat erratic play and a failure to capitalize on opponents' mistakes led to some heart-breaking losses that should have been wins.

The three wins were over Blair (21-0), Neillsville (21-0), and Alma Center (27-18). The two most disappointing losses were to Central (14-6), and a 16-14 loss to Augusta after leading most of the game 14-13. Elmwood edged over us 10-6. Two sound beatings came from Independence (44-15), and Whitehall (36-19). A tie with Alma (6-6) should have been a win.

Next year the Chiefs open at home against Neillsville and play a new opponent, Owen-Withee before heading into Dairyland action.

## THE SEASON

Basketball at Osseo-Fairchild was capped off by a winning season with a record of 10 wins and 9 losses. The team and coaches felt that the year should have been much better than it was. We had two close heartbreaking loses to the conference leading teams Blair and Alma and another close game with state ranked Fall Creek in the Regionals. Next year's team like this year's, will be largely inexperienced. Hopefuls for that team are Juniors: Jeff Johnson, Randy Sieler, Jeff Kutchera, and Eric Goplin. Leading sophomores include Mike Mulhern, Paul Vold, Craig Indrebo, Doug Polinske, and Greg Eisberner.

C'mon Coach, just sum up the season!

## Conference Medalist

Jake

Although not as successful as last year's team, this year O-F finished with a winning season by posting a 26-16-2 record. For the fifth straight year in a row, the team captured the Dairyland Conference championship. Mark Jacobson was conference Medalist.

Seniors lost to the team through graduation will be Mark Jacobson, Rod Johnson, and Dave Skoug. With some strong underclassmen returning, hopes for the future look good.

# WRESTLING

ROW 1: M. Cochrane, W. Compeau, R. Fischer, S. Muenkel, T. Cuddy. ROW 2: E. Lundberg, T. Pettis, J. Smith, M. Sprinkle, M. Buchholz, Coach Smith. ROW 3: H. Sedahl, T. Klotz, D. Potter.

This year's squad rolled to a respectable 8-6 season mark, offering hope for a strong season next year. Losing only two starters to graduation, maturity should be the key to continued success next year with Mike Sprinke, Mark Cochrane, Roland Fischer, and Tom Pettis sporting winning season records. Help from sophomore standouts Tom Cuddy, Wayne Compeau, and Jeff Smith should provide a nucleus. If weights can be filled in the remaining line-up, a serious challenge could be launched toward the Conference Championship next season.

The Chiefs competed in a full schedule of meets for the 1972 season, most of them being multi-teamed in nature. The team posted wins over Mondovi, Central, Augusta, and Altoona while losing to Regis, Independence, Durand, E. C. Memorial, Elk Mound, and Neillsville in dual and triangular competition. O-F also participated in the Dairyland Conference meet, The Red Raider Relays, the Listerman Invitational, the Trempealeau County meet, and the Old Abe Invitational.

Coach Matye

Fifteen boys earned letters this year, six of them being seniors. Rick Rogness won the trophy for most points scored during the season. The trophy for most firsts will be shared by four people: Rick Rogness, Randy Olson, Jeff Johnson, and Jeff Kutchera.

Larry Moen broke the school record in the 880 with a time of 2:07.9. Larry, in the 880, and Brad Garber, in the mile were the only Chiefs to advance to sectionals.

Graduating lettermen are Dave Eisberner, Randy Olson, Ron Krienke, Dennis Smith, Mark Anderson, and Rick Rogness.

Mona Vold

My summer in Denmark was filled with fun and understanding. As I shared life with the Danish people, I learned much about their country and how they live.

Also, I became acquainted with how they think and feel about simple things as well as world affairs. It was truly a rewarding experience.

To everyone who made my summer in Denmark possible - thank you.

Sincerely,  
Mona

Gitten Skiold

I would like to thank all of you for making it possible for me to come and spend this year with you. Getting to know Osseo-Fairchild and making friends with you have made this year the most important one in my life. I will remember it always. I'll think of you, and I'll miss you a lot.

With Love,  
Gitten

Another year and another step into the future has passed. You have been exposed to new and different experiences. You have been given more and greater responsibilities. How you accept them and how you carry them out will be a matter of record. If it is a good one, keep it up. If not, work at it. Strive for improvement. There is no price tag on accepting responsibility or improvement, but it is one of the most valuable assets you have. Do something about it.

Fred F. Schultz  
Superintendent

I would like to share a thought with you; one Henry Van Dyke once had. "Be glad of life because it gives you the chance to love and to work and to play and to look up at the stars; to be satisfied with your possessions but not content with yourself until you have made the best of them; to despise nothing in the world except falsehood and meanness, and to fear nothing except cowardice; to be governed by your admirations rather than by your disgusts; to cover nothing that is your neighbor's except his kindness of heart and gentleness of manners; to think seldom of your enemies; and to spend as much time as you can with body and spirit in God's out-of-doors.

May the Class of 1972 follow the thoughts above and have eternal peace of mind.

Best Wishes  
Lee W. Eder  
Elementary Coordinator

At the present time the most fascinating subject in your thoughts is the future, your future. What will it be? You have striven to prepare yourselves for the duties and obligations that may await you. How well you have succeeded, the years alone can tell. Whatever problems shall puzzle you, whatever difficulties confront you, may you always have the courage of your convictions and the faith in yourselves that is so essential if you are to do as well as you dream. May you remain true to your ideals and make the world a better place for your having lived in it. As your motto so ably states it "Some men see things as they are and ask why? We dream things as they never were and ask why not?"

## THE CLASS OF 1972

Passing through OFHS, we have felt it become a part of us and us a part of it. We have experienced much — felt the rewards as well as the consequences. We will long be remembered for our efforts toward creating new and more difficult problems, and even more complexing solutions.

Now as we leave our years here behind, taking with us only the memories of experiences long gone past, we dedicate ourselves to the future.

Sincerely yours,  
Seniors
